Just a FRIENDLY reminder that our subscriptions are due for Bright U3A membership.

If you are an existing member, \$10 is being credited for last year (2020 - COVID19) so the sub for 2021 is \$20 and NOT the usual \$30!

AGM Bulletin 2021

Position Vacant... Bright U3A Treasurer or Assistant Treasurer.

Our current Treasurer is looking to have a rest for a while and she is willing to give great assistance to an incoming person.

There is an easy-to-use computer program that will keep the accounts in order and print out reports.

The worst part of the job, collecting subs at the start of the year, is mostly over.

If you would like to ease into the position then a phased handover is possible. Linda can do a lot of things if she is away but needs someone to check the PO box and bank any cheques and check the drop box in the office.

Please reply with any offer of help.

A nomination form is attached to print out to nominate for this and any positions on the committee.

The committee will have 4 positions to fill this year. Please consider nominating.....
