CAR POOLING

Car-pooling is a private arrangement between individuals and is in no way organised under the auspices of U3A Bright District Inc.

By volunteering to drive, that individual is acknowledging that their vehicle is fully registered & insured; that they are a fully licensed driver and that they are not under the influence of alcohol, drugs or any banned substances.

All individuals agree to abide by any public health orders and restrictions.

Individuals may come to a mutually agreeable amount to reimburse the driver for travelling expenses.
