

U3A Bright Open Day

The inaugural U3A Bright Showcase last Friday was an outstanding success.

The weather gods were kind to us and a constant stream of members of the public and U3A enjoyed informative & inspirational displays, demonstrations, craft and performances which highlighted the quality & variety of skills and talents that Bright U3A has on offer.

Alpine Voices performed a popular medley from THE SOUND OF MUSIC, ably conducted by maestro Olivia Stapleton and accompanied on the keyboard by Reverend Mother, Carolyn Moore, to the great enjoyment of the crowd.

Franca Sherwell and her team gave us a display of yoga which was executed with precision & which captivated and relaxed the entire audience. The yoga participants were Hilda, Olivia, Annette, Robyn and of course Franca.

Jill Griffiths was present to spruik the Bushwalkers & Malcolm Millar prepared the photo loop

Morning tea was enjoyed by all and 6 new members have joined up.

The event could not have happened without the generous donation of time & effort from the people who made it such a success!

Congratulations and many thanks to all you wonderful volunteers!!

Woolcrafters

It was great our Wool Crafters group had the opportunity to showcase their talents today as we have so many clever ladies in the group and it's nice for others to see their beautiful craft work.

The following people were able to display their items today with the encouragement & support of those who were away or who have already gifted their work to family.

Those who did display craft items today were Lorraine Pearce, Sandra More, Heather Kelly, Jan Kool, Cynthia Kress, Therese Luther, Jan Sparkes, Peg Millar and myself.

Thank you for organising the morning, it was great to see and hear about the other U3A groups.

Cheers,

Catherine Eldred
